In order to ensure a nice and quiet environment for business discussions in the exhibition halls, the Organisers will implement the following rules and regulations for sound level and product demonstration:

**Sound Level and Product Demonstration:**

1. During the exhibition, the maximum noise level is:
  - a) Hall N1 -- 50 db
  - b) Hall N2 -- 50 db
  - c) Hall N3 -- 75 db
2. Shall the sound level exceed the requirements mentioned; the exhibitor will receive a verbal warning and will be requested to lower the volume. During product demonstration, Exhibitors shall keep the volume demonstration within the sound level control.
3. Exhibitors shall demonstrate their laser and lighting equipment within their own booth area. The laser and lighting effect casted into other exhibitor's booth is forbidden. The verbal warning will be implied if the demo affects others.

**General Rules**

- Shall the exhibitor do not comply after the verbal warning, the Organisers will issue an official written warning. Shall the exhibitor do not comply after receiving the written warning, the Organisers will suspend the electricity supply of the exhibitor stand for 2 hours as penalty.
- After the 2 hours power suspension, shall the exhibitor still do not comply; the Organisers will suspend the electricity supply for 24 hours as penalty.
- The Organisers will not be responsible for any extra cost of activities such as electricity re-installation or damages made to the equipment due to the power suspension. All extra costs will be bear by the offending exhibitor.
- The Organisers reserve the rights to make the final decision.

**Please sign with company chop and fax return as acknowledgement:**

We hereby read and accepted the above rules and regulations for **On-site Sound Level and Product Demonstration**. We shall follow the Organisers' final decision if we violate any of the rules and regulations related to noise and product demonstrations.
