

**DATE: Nov 30, 2016**

# AIAG Auto Parts Purchasing Leadership and Suppliers Summit

Marriott Hotel Hongqiao | Shanghai, China

## SUMMIT HIGHLIGHTS:

Mr. J. Scot Sharland, CEO of AIAG, will provide a brief overview of the new changes and requirements in IATF 16949 (formerly ISO/TS16949) and transition timing and will benchmark Chinese suppliers performance in standardized quality core tools knowledge assessments. Do Not miss this Excellent Information Update Opportunity for new IATF 16949!

AIAG Auto Parts Purchasing Leadership and Suppliers Summit will be held on November 30, 2016 in Shanghai, China, concurrent with 2016 Automechanika (The world's second largest Automechanika trade fair for automotive parts, accessories, equipment and services). The theme of the Forum this year is : "Surviving and Thriving Through Industry Transformation."

We would continue to invite purchasing executives from GM, Ford, Fiat-Chrysler, Volvo, VOLKSWAGEN, Jaguar Land Rover, Geely, Delphi, Bosch, Lear, Magna, BorgWarner and other OEMs or Tier1s to talk about their sourcing strategy, needs, requirement and supply chain development to auto suppliers in Asia/China.
